- 2023 Dean's List · 2023 Virgin America Scholarship

Relevant Courses: Advanced Japanese 2, Designing Interactions, Programming for Information Science 2, Information Ecosystems, Image, User-Centered Design, Quantitative Reasoning

EXPERIENCE

CU Boulder College of Engineering, Boulder, Colorado

April 2024 to Present

Data Analytics Student Employee

- Utilized Qualtrics and survey analytics to produce multiple daily reports to identify trends and insights
- Built data visualizations and interactive user-centered dashboards in Tableau to support data-driven insights and decisions
- Leveraged Excel to prepare, standardize, and reconcile diverse datasets for accuracy and usability

eScience, Manila, Philippines

May 2025 to July 2025

Data and Design Intern

- Gained proficiency in Microsoft tools, including Power Automate and Power BI
- Designed and developed interactive dashboards and visualizations in Power BI and Tableau
- Streamlined and standardized data sets using Excel and Power Automate to improve accuracy and efficiency

Natural Hazards Center, Boulder, Colorado

February 2024 to June 2025

Undergraduate Research Assistant

- Supported the editing, quality review, and publication of reports through the Natural Hazards Center's back-end platform
- Processed and structured data from Converge training programs to enhance understanding of user behavior
- Designed and produced social media graphics using Canva and Adobe Photoshop

PROJECTS

Pokémon Trading Card Analysis

November 2024

- Used Python along with Pandas and Seaborn modules to collect card data from an API and two CSVs into one data frame
- Analyzed the results from a game design perspective. Created a report discussing "Power Creep", an issue in game design, where recent cards have affected the way the game is played

Buff Life Prototype Development

November 2025

- Used Figma to develop a high-fidelity prototype of a mobile app version of CU Boulder's student portal
- Researched user-needs and wants through surveying and interviews throughout campus

LEADERSHIP

Alpha Kappa Lambda, Boulder, Colorado

September 2024 to Present

Secretary - Marketing Director

- Photographed and recorded fraternal events to present a weekly recap for members to enjoy during chapter
- Created promotional material for social media and archived all photos and videos taken by any member

Filipino Student Association, Boulder, Colorado

August 2024 to May 2025

Founder - Event Coordinator

- Partnered with groups including Asian Unity to plan and host cultural events fostering connection and engagement
- Worked with the Treasurer to organize and oversee funding for operational needs and future expenditures
